

NTNU Honesty Declaration

I 陳灝, 612K0023C hereby submit my material for assessment.

I certify that the following material submitted for evaluation in my course work is my own work, except for material listed in the section 'External Sources' below.

You are allowed to freely discuss the assignment with your classmates as long as the discussion is limited to what could reasonably be exchanged on a whiteboard or notepad. If you exchange more information, then you must specify this in the 'External Section' below.

In particular, I certify that with the exception of material listed in the section 'External Sources' below:

- 1.) I have implemented the program by myself
- 2.) I have run the tests and experiments by myself and the results were as described in my report.
- 3.) I have written the report describing my design, work, experiments by myself.
